MINISTRY OF COMMERCE AND INDUSTRY

PUBLIC NOTICE

New Delhi, the 23rd October 1954

SUBJECT.—*Installation of Solvent Extraction Plants for the extraction of residual oils from oil cakes.*

No. 9(9)-Gen.Ind./54.—Applications for the grant of licences under the Industries (Development and Regulation) Act, 1951, for the installation of Solvent Extraction Plants for the extraction of residual oils from oil cakes, received in response to this Ministry's Public Notices No. CI-8(3)/51, dated the 30th July, 1952, and the 20th January, 1953, were considered by the Licensing Committee at its meetings held on the 25/26th November, 1952 and the 15th June, 1953 respectively. As a result of the recommendations of the Licensing Committee, the Government of India have sanctioned the installation of a number of solvent extraction plants in the various states.

2. It has now been decided to invite with reference to rule 14 of the Registration and Licensing of Industrial Undertakings Rules, 1952, fresh applications for the installation of new undertakings or for expansion of the undertakings which have already been granted licences for a further capacity of 660 tons of oil cakes per day.

3. Application should be in Forms D and E prescribed under rule 7 of the said Rules—Form D being in the case of new undertakings and Form E being in the case of existing undertakings in respect of which licences or permissions have already been granted. The application should be sent to the Ministry of Commerce and Industry.

4. The following further particulars should be furnished along with the application:—

- (a) Full particulars and the daily per shift capacity in terms of the solvent extraction plant desired to be installed.
- (b) Number of shifts proposed to be worked per day.
- (c) Names of the oil cakes proposed to be used as the raw material and their local availability.
- (d) An original certificate from the Director of Industries of the State concerned approving of the proposed project for the setting up of a solvent extraction plant for the extraction of oil out of oil cakes.

5. Persons who had already approached the Government of India for permission to set up Solvent Extraction Plants and who have not been granted a licence may also apply in the prescribed form furnishing the above particulars if they are still interested in the development of the industry.

Applications received will be dealt with in accordance with rules 10 to 13 of the Registration and Licensing of Industrial Undertakings Rules, 1952.

B. B. SAKSENA, Dy. Secy.
